REMARKS

Defendant appeared, in custody, with counsel. Defendant's mother was present in support of Defendant.

The Court has reviewed the Pretrial Services Report (ECF No. 10); Supplemental Pretrial Services Report (ECF No. 16); and Motion for Detention (ECF No. 9).

USA made factual proffers and argued why the Court should detain the Defendant and why there are no conditions of release which will reasonably assure the appearance of Defendant and/or the safety of any other person and the community.

Defense counsel proffered various case law, made factual proffers and proffered the Pretrial Services Report and Supplemental Pretrial Services Report agreeing with the recommendation of release. Defense counsel presented argument for Defendant's release arguing there are conditions that can be imposed which would ensure Defendant's appearance at future hearing and the safety of any other person and the community.
